- Gender: Male

## Summary

I am a detail-oriented and proactive individual with a Bachelor's degree in Information Systems. I have strong skills in office management, communication, and technical support, making me a versatile individual. My experience in customer service and technical troubleshooting enables me to work effectively under pressure, meet deadlines, and solve problems efficiently. I am adaptable and can adjust to changing circumstances. I am a team player who works well with others and contributes positively to a team environment. I am committed to providing excellent service and my strong communication skills allow me to communicate effectively with a variety of people.
